

In this Newsletter:

1. INAE National Seminar on Engineering Response to Hazards of Terrorism, 25-26 September 2006, IIT Kanpur
2. Article on Sikkim Earthquake of 14 February 2006, Current Science, August 2006
3. Course at Surat on *Architecture for Earthquake Resistant of Buildings* during 4-8 September 2006 postponed due to recent floods
4. 8th International Conference on Vibration Problems (ICOVP-2007), 30 Jan – 3 Feb 2007, BESU Shibpur
5. 6th International Conference on Case Histories in Geotechnical Engineering, 11-16 August 2008, Rolla, MO, USA

Details:

1. National Seminar on Engineering Response to Hazards of Terrorism, 25-26 September 2006, IIT Kanpur
-

Indian National Academy of Engineering (INAE) and NICEE at IIT Kanpur are organising National Seminar on Engineering Response to Hazards of Terrorism during 25-26 September 2006 at IIT Kanpur. This Seminar will be first of its kind in the country and will enable the concerned professionals to share information and ideas. It will help develop an agenda for new work in this important area. For more details please visit www.nicee.org/ERHT

2. Article on Sikkim Earthquake of 14 February 2006, Current Science, August 2006
-

Current Science has published an article by Hemant Kaushik, Kaustubh Dasgupta, Dipti R. Sahoo and Gayatri Kharel "Performance of structures during the Sikkim earthquake of 14 February 2006" in its August 2006 issue. The article is based on a reconnaissance study carried out immediately after the M5.7 Sikkim earthquake of 14 February 2006. The same can be downloaded from http://www.nicee.org/Sikkim_CS-Aug25_2006.pdf

3. Course at Surat on Architecture for Earthquake Resistant of Buildings during 4-8 September 2006 postponed due to recent floods.
-

NPEEE short course at Surat on Architecture for Earthquake Resistant of Buildings during 4-8 September 2006 has been postponed due to recent floods. The new dated will be announced later.

4. 8th International Conference on Vibration Problems (ICOVP-2007), 30 Jan – 3 Feb 2007, BESU Shibpur
-

Bengal Engineering and Science University (BESU), Shibpur is organising 8th International Conference on Vibrartion Problems (ICOVP-2007) during 30 January – 3 February 2007 at BESU Shibpur. Last date for submission of abstract is 31 August 2006. For more details please visit www.becs.ac.in/icovp

5. 6th International Conference on Case Histories in Geotechnical Engineering, 11-16 August 2008, Rolla, MO, USA
-

The dates of the previously announced 6th International Conference on Case Histories in Geotechnical Engineering have been changed to August 11-16, 2008, in Washington, D.C. The deadline for submission of abstracts has been extended to March 5, 2007. For more information please visit <http://campus.umn.edu/6icchge/index.html>.
